We the Kihuyo Secondary School fraternity – The B.O.M, P.A, Parents ,Teachers, Students ,Support Staff,
Wish to convey our heartfelt gratitude to you and your partner for assisting us in:-

- 1) Having a modern latrine for boys and girls - It has greatly improved Teachers' and students' motivation.
- 2) Renovating our Kitchen. Meals will now be served faster and in a hygienic environment. Creating more study time and hence improving Performance.

We are so thankful and greatly appreciate your assistance. Once again thank you very much.
